The EPLO Scholarship Programme is designed to support talented students who wish to pursue their academic journey at the EPLO higher education institution established in 2016, namely the European Law and Governance School (ELGS). The ELGS is committed to fostering a deeper understanding of European law and governance, granting students the knowledge and tools necessary to navigate the European market and institutional framework, and to promote their national interests within the European context.

The ELGS offers comprehensive undergraduate, postgraduate, and research programs conducted entirely in English. These programs are supported by a distinguished academic faculty and an international network of leading universities, prestigious research centers, and public organizations. The ELGS welcomes students of all nationalities and seeks to provide a truly global educational environment.

In this context, we are pleased to inform you that for the 2025 academic year, the EPLO/ELGS will offer **up to ten (10) full and partial scholarships** to students for both undergraduate and postgraduate degree programs in Athens. Applications should be submitted through our website at the following link, *indicating that the application is for the Embassy scholarship offer*: <https://www.elgs.eu/application-forms/>.
